Dear Customer,

Thanks for choosing a Hamlet product. Please carefully follow the usage and maintenance instructions in this document.

DISPOSAL OF THIS PRODUCT

The crossed-out wheeled bin symbol on the product or on its packaging indicates that this device is subject to Directive 2012/19/EU on Waste Electrical and Electronic Equipment (WEEE). The Directive states that the product at the end of its useful life must not be disposed of with household waste but must be delivered to collection facilities, recycling depots or waste disposal companies. Disposal is free of charge. Dispose of this device correctly to protect the environment. To dispose of the product or its packaging, consult the regulations of your municipality.

We inform you this product is manufactured with materials and components in compliance with RoHS Directives 2011/65/EU & (EU) 2015/863 and EMC Directive 2014/30/EU for the following standards:

EN 55032: 2015 + A11: 2020 + A1: 2020

EN IEC 61000-3-2: 2019 + A1: 2021

EN 61000-3-3: 2013 + A1: 2019 + A2: 2021

EN 55035: 2017 + A11: 2020

The complete CE declaration of conformity for the product and a copy of the manual are available on the Hamlet website www.hamletcom.com.

For any information or additional documentation contact Hamlet at the e-mail address info@hamletcom.com. Visit www.hamletcom.com for complete information on all Hamlet products and to access downloads and technical support.

Trademarks and changes

All trademarks and company names mentioned in this manual are used for description purpose only and remain property of their respective owners.

The material in this document is for information only. Contents, specifications and appearance of the product are indicative and may change without notice.

Safety Information

Before using the product, read the warnings and the instruction manual. Please visit www.hamletcom.com to view the complete documentation, manuals and updated safety information.

Keep this information for future reference.

Do not force the connector into the device ports to avoid causing damage. Forcing the connector may irreparably damage the product. Remember that electronic connectors may be similar but incompatible.

IMPORTANT: Keep the product and its packaging out of reach of children, unauthorized persons and pets.

Danger: some parts may come off and be accidentally swallowed.

Product designed for indoor use and away from humidity, water and heat sources.

To avoid even lethal dangers, the device must be used exclusively in these conditions and for the purpose for which it was built.

The manufacturer declines all responsibility for dangers arising from improper use, tampering or unauthorized repair attempts.

Danger: It is strictly forbidden to make any modifications to the product.

In the event of breakage or damage to parts or accessories, immediately stop using the device and contact technical support.

Prolonged use of input devices such as keyboards and mice can cause posture and health problems. It is recommended to take regular breaks and consult a doctor in case of repeated problems.

THE MANUFACTURER SHALL NOT BE HELD RESPONSIBLE, UNDER ANY CIRCUMSTANCES, FOR ACCIDENTS OR DAMAGES RESULTING FROM IMPROPER USE OF THE DEVICE OR FAILURE TO COMPLY, EVEN PARTIALLY, WITH SAFETY REGULATIONS.

- USB-C and USB-A dual connector cable
- Plug & Play operation, USB powered
- Quiet low-profile keys designed with a scissor mechanism for fast and accurate typing
- Cable length: 1.8 m
- Product dimension (W x D x H): 422 x 114 x 7 mm
- Compatible con Mac OS 10.6 or later

Package Contents

- USB Keyboard
- User manual

2. Installation

Dark Silver Board keyboard does not require driver for operation. To install the device, simply insert the USB-C plug into a free USB Type-C port of your computer and follow on-screen instructions in "Keyboard Set Up Assistant" window to properly identify your keyboard.

If you have a computer with a USB-A port, use the USB-C to USB-A adapter built into the cable.

3. Use the function keys

Use the function keys at the top of the keyboard to control multimedia functions of your computer such as brightness, music playing, volume and more.

Standard function keys work differently depending on keyboard preferences of your system. If multimedia keys do not work, hold the **Fn** key when pressing a function key.

	Decrease brightness of display
	Increase brightness of display
	Open Mission Control
	Open Launchpad
	Previous song/movie
	Play/Pause
	Next song/movie
	Volume mute
	Decrease volume
	Increase volume
	Long press this key to shut down your Mac

The globe button  activates the **CTRL + Spacebar** key combination. This key combination's function can be customized in the keyboard's system settings.
