Dear Customer,  
thanks for choosing an Hamlet product. Please carefully follow the instructions for its use and maintenance and, once this item has run its life span, we kindly ask You to dispose of it in an environmentally friendly way, by putting it in the separate bins for electrical/electronic waste, or to bring it back to your retailer who will collect it for free.

We inform You this product is manufactured with materials and components in compliance with RoHS Directive 2002/95/CE; with WEEE Directive 2003/96/CE, Italian Legislative Decree 2005/151 and EMC Directive 89/336/EEC for the following standards:  
EN55022: 1998 + A1: 2000 + A2: 2003  
EN55024: 1998 + A1: 2001 + A2: 2003

The complete CE declaration of conformity of the product can be obtained by contacting Hamlet at [info@hamletcom.com](mailto:info@hamletcom.com).

The information on the importer for your country can be found in the "About Us" section of the Hamlet website at [www.hamletcom.com](http://www.hamletcom.com).

---

## Introduction

---

Hamlet HUB Mobile 4 is a compact and lightweight Hub that provides 4 additional USB 2.0 ports to your computer and does not require a power supply. It's the perfect travel companion, designed to be easily stowed into the pocket of a laptop bag.

### System Requirements

- An available USB port
- Windows 98SE/2000/XP/Vista/7/8, Mac OS 9 or above

### Package Contents

- Hub Mobile 4
- User Manual

---

## Installation

---

1. Connect the hub's attached USB cable to an available USB port of your computer.
2. After the connection, the system will detect the hub and automatically complete the installation.
3. You may now connect USB devices to an available USB port on the front of the XUSB400A hub.
